Santa Maria, Bulacan 3022

PROFESSIONAL SUMMARY

I am a recent Computer Engineering graduate from Polytechnic University of the Philippines and a Civil Service Exam Professional pass holder. My expertise lies in web development and embedded system engineering, complemented by a strong understanding of computer hardware and software. In addition to my technical skills, I have a creative side, with freelancing experience in graphic design, layout design, and photo editing using Adobe Photoshop.

EXPERIENCE

INTERNSHIP

08/2022 - 09/2022

Pru Life UK, Pasig City

- Web Developer and Graphic Designer with experience in Social Media Management at Pru Life UK.
- Integral part of a dynamic team responsible for creating engaging digital experiences.
- Proficient in web development, graphic design, and overseeing the company's Facebook presence.
- Thrived in a fast-paced, collaborative environment, utilizing technical skills and creativity to deliver visually appealing content.
- Successfully executed engaging social media campaigns to enhance the company's online presence.

OFFICE ADMINISTRATION

11/2021 - 03/2022
